  - What help do you need?
  - Who will you share your faith with this week?

## 4. Review the Sunday Sermon notes

On Sunday at the Point Loma campus, Pastor Travis opened his message by letting us know that being called to more isn't about possessions, but having a lifestyle that God has called us to live. He then shared a story about the types of phone calls that he receives. The first call was one he received when he was working out at the gym. The contact on his cell phone read, “Telemarketer”. He did not pick up that call. But he did share that calls from his wife are always received. He even talked about calls that he never picks up from “Do not answer,” because the person on the other end always causes him drama.

Finally, he stated that in life you will get calls from everywhere and everybody but the one that you decide to answer is what matters. We need to answer the call that God has placed on our lives.

## 5. Closing Prayer

- Share prayer requests and pray for each other.
