Monthly Discipleship Focus for September:
Values Being Guided by the Word of God

On Sunday, Pastor Miles shared how Jesus viewed women: Jesus, unlike culture, viewed women as more than outcasts (Luke 13:10-17). Jesus, unlike the religious men, looked at women in public (Luke 7:39). Jesus, unlike other men, talked with women in public (John 4:27, Luke 23:27-28). Women were not to touch the scriptures (Luke 7:39). Jesus, unlike other men, discussed theology with a woman (Luke 10:38-39). Jesus, unlike other men, worshipped with women (Luke 7:44-47).

He also discussed discipleship as he focused on three key points below.

Read John 4 and respond to the statements and questions.

- Ministry with a CONVERSATION (John 4:7-18). It's much easier to talk with others without being spoken down to or feeling less than. Can you have conversations with people without having to prove yourself as being right?
- Mentor with EXPLANATION (John 4:19-26). Not everyone will agree with you on a specific topic or area, so help them understand. How difficult or easy is it for you to explain something you're passionate about?
- Multiply through DUPLICATION (John 4:39-42). Asking questions or bringing up concerns causes interaction within our conversations. Do you feel that others are learning from your knowledge, wisdom, and experience because of your delivery?
