D12 Monthly Focus for September: Values Being Guided by the Word of God

Sermon Application from Sunday's Message:

On Sunday, Pastor Miles spoke about the importance of being generous. In order to be generous, we must give ourselves away. Our focus needs to be on serving rather than being served. Finally, we must be led by the Holy Spirit to be generous as there is unlimited need in this world.

As a group, take time to read through the following statements and discuss the questions below:

- Like Jesus, we minister generously by **giving ourselves** away. ~Mark 10:45
 - o Giving ourselves away could be doing extra chores to lighten the load of a family member at home. It could be reaching out to a friend or colleague who is struggling. **How will you give yourself away this week? What is this important?**
- Like Jesus, we mentor generously by focusing on **serving** versus being served. ~Mark 10:42-45
 - o There are many opportunities to serve at the church and in the community. **What step will you take to serve this week?**
- Like Jesus, the Spirit multiplies generosity because there is an **unlimited** need. ~Luke 10:1-2
 - o There are needs in our community, state, country, and the world. **How can you be generous with the resources that you have in order to help meet the unlimited need of this world?**

This Month's Memory Verse: All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness." ~2 Timothy 3:16 NKJV
